STANDARD FORM 30 (REV. 10-83) Prescribed by GSA R-DEN-02365 Closing Agent for the State of Arizona Amendment A0001

1. The solicitation package indicates the business must be located in the same state, which is Arizona, can the business be located in California?

Answer: Refer to Section 4.5.11 Contractor Furnished Items and Services, which states "The Contractor shall provide a fully staffed and equipped office in the geographic area for the awarded contract..." The contract will cover the state of Arizona, so the contractor must provide an office in Arizona.

2. How soon after May 15th will you notify the contractor that has been awarded the contract.

Answer: Contract award is anticipated in June 2009.

3. How soon after will Business be notified to begin closing service?

Answer: Refer to Section 2.6, Factor 2 and Section 4.5.3. – The contractor shall provide a fully staffed, equipped and functional office in a location appropriate for the clients no later than 10 days after contract award.

4. As noted on page 8 in the RFP, must the 25 pages in the Technical Proposal include the cover sheet, prices from page 3 of the RFP, and the completed Attachment 7 & 12 from the RFP, the copy of the ORCA registration and our addressing Factors 1, 2 and 3 too?

Answer: The cover sheet is not counted in the 25 page limitation for the Technical Proposal, nor are the attachments, nor the ORCA certifications – pricing from page 3 is part of the Business Proposal.

5. Is the entire proposal intended to be limited to 25 pages total? Or, is there to be a Technical Proposal portion, limited to 25 pages, in addition to a Cost Proposal Portion and other proposal portions too, with no page limitations.

Answer: Refer to Section 3.5.14 – the Technical proposal is limited to 25 pages. The Business Proposal does not have a page limitation.
